Dear Sanchit,

I am very pleased to inform you that your outstanding academic performance in the Spring/Summer 2022 semester has earned you a place on the Dean's Honours List. We are delighted by your academic achievement and the opportunity to make formal recognition of it. This designation will now appear on your official transcript of record.

I hope that you take pride in your achievement. I know that the conditions for learning during a pandemic were not without challenge, and therefore it is a testament to your dedication and commitment that you maintained an academic standing that is so high as to be accorded a place on the Dean's Honours List. Congratulations!

To publicly recognize the achievements of our students, the entire Dean's Honours List will be posted on the University of Regina Faculty of Science webpage at www.uregina.ca/science, permanently displayed in the Faculty, and published in the Faculty of Science Annual Report. If you do not wish your name published, please contact us at science@uregina.ca by October 21, 2022.

I offer you both my congratulations and best wishes for continued success in your studies.

Sincerely,

Douglas Farenick
Dean, Faculty of Science
